ABOUT RED DOT

Red Dot Art Spree is a highly anticipated celebration of art and community at Women & Their Work happening on September 14th.

Over 150 artworks are available for art lovers to add to their collections. Red Dot is the perfect occasion for art enthusiasts, advocates, and collectors to come together to admire and acquire new art.

Following the event, the exhibition and sale will be on view through September 23rd.

Red Dot Art Spree supports our extensive art education program, It Takes Art To Spell SmART. This programming provides students and teachers with gallery tours, workshops, artist talks, and creative activities that allow children to expand their way of thinking about the world. This program has introduced thousands of school children to the joy and wonder of contemporary art, many of whom have had little access to art and art making.
