Treespell Perfume, 2022-2024

Treespell was created in collaboration with Texas perfumer Chavalita Dunlap as an olfactory component to this exhibition. The scent was intentionally pushed to live on the edge of wearable, with a deep forest musk of cedar (the mystical tree of Artemis), beast, vetiver, and rot. Middle notes of moss, pond water and earth soften and the hay-like brightness of fern shimmers as the top note. \$120

Stag Eye slip books, 2023-2024
